

INFORCE COMPUTING, INC. **SOFTWARE LICENSE AGREEMENT**

This is a legally binding agreement ("**Agreement**") by and between Inforce Computing, Inc. ("**Inforce Computing**" or "**Inforce**") and the person or legal entity you represent ("**You**" or "**Your**"). You must agree to these terms before You may receive any Software from Inforce Computing.

For the purposes of this Agreement:

"**Affiliate**" means, with respect to You, Inforce Computing or a Licensor (as defined below), as the case may be, any corporation or other entity that, at any time, directly or indirectly, Controls, is Controlled by or is under common Control with You, Inforce Computing or a Licensor, as the case may be (but only as long as such Control exists). For the purpose of this definition, the term "**Control**" means (i) the beneficial ownership (whether direct or indirect) of more than fifty percent (50%) of the voting power of an entity or (ii) in the case of an entity that does not have outstanding voting shares or securities, the majority (i.e., more than fifty percent (50%)) of the equity interests in such entity that is now or hereafter owned or controlled by another entity, either directly or indirectly.

"**Inforce Development Kit**" means any board-based hardware development kit sold by Inforce, based on the Qualcomm Snapdragon S4 Pro APQ8064 quad core application processor, which can be used in developing high-performance embedded and handheld devices. This can include both SYS6440 Qseven based development kit as well as IFC6410 production-ready single-board computer.

"**Inforce Development Kit Software**" or "**Software**" means collectively, or individually, as applicable: (i) any software or firmware, in object code form only, other than Open Source Software, that is incorporated within the software development or test kits made available upon acceptance of this Agreement, and (ii) any upgrades, updates, bug fixes or modified versions of such software development or test kits provided to You by Inforce Computing from time to time (collectively, "**Updates**").

"**Licensor(s)**" means any third party that licenses software to Inforce Computing for use in the Inforce Development Kit Software.

"**Open Source Software**" means any software licensed under Open Source License Terms.

"**Open Source License Terms**" means the licensing and/or distribution models commonly known as "open source software" or "free software" or any other licensing and/or distribution models pursuant to which software is made generally available to the public in source code form under terms that permit modification and redistribution of such software. By way of example only and without limitation, Open Source License Terms include any versions of the following agreements, licenses or distribution models: (1) the GNU General Public License (GPL); (2) Lesser/Library GPL (LGPL); (3) the Common Development and Distribution License (CDDL); (4) the Artistic License (including without limitation PERL); (5) the Netscape Public License; (6) the Sun Community Source License (SCSL) or the Sun Industry Standards License (SISL); (7) the Apache License; (8) the Common Public License; (9) the Affero GPL (AGPL); (10) the Berkeley Software Distribution (BSD); (11) the Mozilla Public License (MPL); and (12) any other licenses that are defined as OSI (Open Source Initiative) licenses as listed on the opensource.org website

"**Reciprocal Open Source Software**" means Open Source Software licensed under Reciprocal Open Source License Terms.

"**Reciprocal Open Source License Terms**" means terms in any license or agreement for software which require, as a condition of use, modification and/or distribution of such software or other software incorporated into, derived from or distributed or combined with such software (a "**Work**"), any of the following: (a) the making available of source code, object code, or design information regarding the Work; (b) the granting of permission for creating derivative works regarding the Work; or (c) the granting of a royalty-free license to anyone under Intellectual Property Rights in respect to the Work, including, without limitation the GPL and LGPL.

1. **Scope.** These terms and conditions apply to all Inforce Development Kit Software that You order from Inforce Computing. Any terms or conditions stated by You in any purchase order or otherwise that are different from, or in addition to, these terms and conditions shall be of no force and effect, and no course of dealing, usage of trade, or course of performance shall be relevant to explain or modify any term expressed in this Agreement. Inforce Computing expressly rejects additional or different terms. To the extent any Inforce Development Kits that are sold to You that contain Software; such Software is not sold to You and is instead licensed to You in accordance with the terms and conditions of this Agreement.
2. **Software License.** Subject to the terms and conditions of this Agreement (including, without limitation those terms, conditions and restrictions set forth in Sections 3 and 4) and payment of the applicable fees, Inforce Computing hereby grants to You a non-exclusive limited, copyright license to use the Inforce Development Kit Software, in object code form only, solely in conjunction with the Inforce Development Kit(s) sold by Inforce Computing for which Inforce Computing intends such Inforce Development Kit Software to be used, for the duration of the useful life of such Inforce Development Kits. Neither this Agreement, nor any act by Inforce Computing or its Licensors or any of their respective Affiliates pursuant to this Agreement or relating to the Software shall provide to You any license or any other rights whatsoever under any patents, trademarks, trade secrets, copyrights or any other intellectual property of Inforce Computing or its

Licensors or any of their respective Affiliates, except for the copyright rights expressly set forth in this Section 2. You understand and agree that: (i) neither this Agreement, nor the delivery of the Software alone or in combination with a Inforce Development Kit, grants any right to practice, or any other right at all with respect to, any patent of Inforce Computing and its Licensors or any of their respective Affiliates; and (ii) a separate license agreement from Inforce Computing and its Licensors is needed to use or practice any patent of Inforce Computing or its Licensors or any of their respective Affiliates. You agree not to contend in any context that, as a result of the provision or use of the Software, either Inforce Computing or its Licensors or any of their respective Affiliates has any obligation to extend, or You or any other party has obtained any right to, any license, whether express or implied, with respect to any patent of Inforce Computing or its Licensors or any of their respective Affiliates for any purpose. Neither this agreement nor the delivery of the Software alone or in combination with an Inforce Development Kit modifies or abrogates Your obligations under any other agreement between You and Inforce Computing or its Licensors or any of their respective Affiliates.

3. **Restrictions.** You agree not to, and will not encourage others to: (i) alter, modify, translate, or adapt any Software or create any derivative works based thereon; (ii) decompile, reverse engineer, disassemble or otherwise attempt to learn the source code, structure or algorithms underlying any of the Software; (iii) copy any Software except as expressly permitted in this Agreement; (iv) assign, sublicense or otherwise transfer the Software in whole or in part except as expressly permitted in this Agreement; (v) use the Software except as expressly permitted in this Agreement; (vi) disclose the Software to any third party except as expressly permitted in this Agreement; (vii) rent, lease, lend, provide commercial hosting services or otherwise make the Software available for value; or (viii) resell or otherwise place on the market in any manner, any Inforce Development Kit Software that has had any of the radio frequency capabilities (e.g. 3G, Bluetooth, or WiFi) enabled. Prior to receiving any Inforce Development Kit Software from Inforce Computing in which the radio frequency capabilities have been enabled, You must obtain and make available to Inforce Computing, if requested, the appropriate experimental authority or special temporary authorization, as the case may be, from the Federal Communications Commission ("**FCC**") pursuant to Part 5 of the FCC rules. You are not permitted to use the Inforce Development Kit Software in any device that (i) is capable, under any circumstance (including, without limitation, by software or firmware modifications), of initiating or receiving any CDMA or OFDMA based wireless wide area network communications including but not limited to such networks implementing IS-95, cdmaOne, cdma2000, EV-DO, W-CDMA, UMTS, HSPA, TD-SCDMA, LTE, WiMax and any updates or revisions thereto, or (ii) implements wireless broadcast functionality in accordance with any wireless broadcast specifications ratified or adopted as a standard by any nationally or internationally recognized standards organization for development of or use in any wireless network. Failure to meet or maintain the requirements set forth in this Section 3 shall be a material breach of this Agreement and result in the immediate termination of this Agreement pursuant to Section 10 (Termination).
4. **Ownership.** You acknowledge and agree that Inforce Computing and its Licensors shall retain all right, title, and interest in and to the Software and any Updates and improvements thereof, including without limitation all copyrights, patent rights and trademark rights and all other Intellectual Property Rights therein, and You shall not remove any copyright notices or other legends from the Software or any accompanying documentation, and shall include such notices in any end-user documentation. Except for the limited copyright right granted to You under Section 2 (Software License) with respect to the use of the Software in Inforce Development Kits, You further acknowledge and agree that Inforce Computing has no right to sublicense or otherwise grant any rights under any other Intellectual Property Rights of its Licensors, including, without limitation, patents of its Licensors. For the purposes of this Agreement, "**Intellectual Property Rights**" means all current and future worldwide copyrights, trade secrets, patents and other patent rights, utility models, mask work rights, trademarks, trade names, service marks and all other intellectual or industrial property rights, including all applications and registrations with respect thereto.
5. **Open Source Software.** The Inforce Development Kit Software may contain Open Source Software. The terms and conditions governing Your use of such Open Source Software shall be in accordance with the Open Source License Terms associated with such Open Source Software. You shall not make the portions of the Inforce Development Kit Software that are proprietary to Inforce Computing or its Licensors available pursuant to any Open Source License Terms. You shall not use, combine, modify, distribute, make the Software a derivative work of or otherwise exploit the Software in connection with any Reciprocal Open Source Software in any manner that would cause the Software to become subject to any Reciprocal Open Source License Terms, and You shall restrict each of Your subcontractors and customers in the same manner.
6. **Feedback.** Inforce Computing may from time to time receive suggestions, feedback or other information from You concerning the Inforce Development Kit Software. Any suggestions, feedback or other disclosures made by You are and shall be entirely voluntary on Your part. Notwithstanding any other term in this Agreement, Inforce Computing and its Licensors shall be free to use Your suggestions, feedback or other information in the further development of the Inforce Development Kit Software, without obligation of any kind to You. You agree that all inventions, product improvements, and modifications to the Inforce Development Kit Software conceived of or made by Inforce Computing and/or its Licensors that are based, either in whole or in part, on Your ideas, feedback, suggestions, or recommended improvements are the exclusive property of Inforce Computing and/or its Licensors, and all right, title and interest in and to any such inventions, product improvements, and modifications will vest solely in Inforce Computing and/or its Licensors, as the case may be.
7. **Updates.** Notwithstanding anything to the contrary hereunder, You acknowledge and agree that Inforce Computing and its Licensors (i) are under no obligation to provide any form of technical support for the Inforce Development Kit Software; and (ii) have no obligation to provide any Updates under this Agreement. If Inforce Computing chooses to provide any form of support or information relating to the Inforce Development Kit Software, such support and information shall be

deemed confidential and proprietary to Inforce Computing and/or its Licensors, as the case may be, and shall be protected in accordance with Section 8 (Confidentiality).

8. **Confidentiality.** The Software and all related information provided hereunder are confidential and proprietary to Inforce Computing and/or its Licensors. You agree that You will only use the Software and related information for the purposes set forth in this Agreement. Unauthorized use or disclosure of the Software and/or such information would cause irreparable harm and significant injury to Inforce Computing and/or its Licensors that would be difficult to ascertain or quantify; accordingly You agree that Inforce Computing and/or its Licensors shall have the right to obtain injunctive or other equitable relief to enforce the terms of this Agreement without limiting any other rights or remedies.
9. **Term.** This Agreement shall commence upon the earlier of the date that You first download or use the Inforce Development Kit Software and the date that You accept this Agreement, and shall continue until terminated in accordance with Section 10 (Termination).
10. **Termination.** This Agreement shall terminate immediately, without notice, if You fail to comply with any term or condition of this Agreement. In addition, Inforce Computing may terminate this Agreement at any time upon notice to You or by posting notice on Inforce Computing's website located at www.inforcecomputing.com. Upon termination of this Agreement for any reason, all licenses granted by Inforce Computing to You hereunder shall terminate, and You shall immediately, at Inforce Computing's option, either return or destroy (and certify to the same) all confidential information of Inforce Computing and its Licensors. Any termination of this Agreement shall not prejudice Inforce Computing's right to recover any sums due or accrued at the time of such termination and shall not prejudice any cause of action or claim accrued or to accrue on account of any breach or default. The parties' rights and obligations which by their sense and context are intended to survive any termination or expiration of this Agreement shall so survive, including but not limited to, Section 3 (Restrictions), Section 4 (Ownership), Section 6 (Feedback), Section 8 (Confidentiality), Section 10 (Termination), Section 11 (Disclaimer of Warranty), Section 12 (Limitation of Liability), Section 13 (Indemnification), Section 14 (Covenant Not to Assert), Section 15 (Government Compliance), Section 16 (Government End Users), Section 17 (Third Party Beneficiary) and Section 19 (Miscellaneous).
11. **Disclaimer of Warranty.** **THE INFORCE DEVELOPMENT KIT SOFTWARE IS PROVIDED TO YOU "AS IS." INFORCE COMPUTING, ITS LICENSORS AND THEIR RESPECTIVE AFFILIATES DISCLAIM ANY AND ALL WARRANTIES AND CONDITIONS REGARDING THE INFORCE DEVELOPMENT KIT SOFTWARE, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OR CONDITIONS OF NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, MERCHANTABLE QUALITY, DURABILITY AND FITNESS FOR A PARTICULAR PURPOSE. INFORCE COMPUTING, ITS LICENSORS AND THEIR RESPECTIVE AFFILIATES DO NOT WARRANT THAT THE OPERATION OF THE INFORCE DEVELOPMENT KIT SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR CONDITIONS, SO THE ABOVE EXCLUSION MAY NOT APPLY OR MAY BE LIMITED IN THOSE JURISDICTIONS.**
12. **Limitation of Liability.** **TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL INFORCE COMPUTING, ITS LICENSORS OR THEIR RESPECTIVE AFFILIATES BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL OR INDIRECT DAMAGES OF ANY KIND ARISING OUT OF THE USE OF THE INFORCE DEVELOPMENT KIT SOFTWARE, OR OTHERWISE UNDER OR IN CONNECTION WITH ANY PROVISION OF THIS AGREEMENT (INCLUDING BUT NOT LIMITED TO LOST DATA, LOST PROFITS OR CONFIDENTIAL OR OTHER INFORMATION, FOR BUSINESS INTERRUPTION, FOR PERSONAL INJURY, FOR LOSS OF PRIVACY, FOR FAILURE TO MEET ANY DUTY INCLUDING OF GOOD FAITH OR OF REASONABLE CARE, FOR TORT, NEGLIGENCE AND FOR ANY OTHER PECUNIARY OR OTHER LOSS WHATSOEVER), EVEN IF INFORCE COMPUTING, ITS LICENSORS AND THEIR RESPECTIVE AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**
NOTWITHSTANDING ANY DAMAGES THAT YOU MIGHT INCUR FOR ANY REASON WHATSOEVER (INCLUDING, WITHOUT LIMITATION, ALL DAMAGES REFERENCED HEREIN AND ALL DIRECT OR GENERAL DAMAGES IN CONTRACT, TORT, NEGLIGENCE OR ANYTHING ELSE), THE ENTIRE LIABILITY (IN THE AGGREGATE) OF INFORCE COMPUTING, ITS LICENSORS AND THEIR RESPECTIVE AFFILIATES UNDER ANY PROVISION OF THIS AGREEMENT AND YOUR EXCLUSIVE REMEDY HEREUNDER SHALL BE LIMITED TO TEN DOLLARS (\$10). THE FOREGOING LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS ITS ESSENTIAL PURPOSE.
13. **Indemnification.** You will fully defend, indemnify and hold each of Inforce Computing, its Licensors and their respective Affiliates, officers' directors, employees, agents, successors and assigns harmless from and against any and all claims, demands, losses, damages, judgments, costs, liabilities and expenses (including attorneys' fees) arising out of or related to: (i) Your use or misuse of the Inforce Development Kit Software, including, without limitation, any use, reproduction or distribution of the Inforce Development Kit Software by You, which causes an infringement of any patent, copyright, trademark, trade secret, or other Intellectual Property Rights or publicity or privacy rights of any third parties arising in any jurisdiction anywhere in the world; (ii) the applications and/or services developed by You, whether alone or in combination; and (iii) any breach of this Agreement by You. If requested by Inforce Computing, You agree to defend Inforce Computing and its Licensors in connection with any third party claims, demands, or causes of action resulting from, arising out of or in connection with any of the foregoing.

14. Covenant Not to Assert. You hereby agree that neither You nor any of Your Affiliates will assert any action for the infringement of Your or Your Affiliates' patents against (i) Inforce Computing, its Licensors or their respective Affiliates for making (or having made), importing, using, selling, licensing or otherwise disposing of Inforce Development Kit(s) Materials (as defined below); (ii) Inforce Computing, its Licensors or their respective Affiliates, foundries, for making Inforce Development Kit(s) Materials for, or selling Inforce Development Kit(s) Materials to, Inforce Computing, its Licensors or their respective Affiliates; or (iii) any direct or indirect customers of Inforce Computing, its Licensors or their respective Affiliates, for using Inforce Development Kit(s) Materials purchased from Inforce Computing, its Licensors or their respective Affiliates. As used herein, the term "**Inforce Development Kit(s) Materials**" means Inforce Development Kits, Inforce Development Kit Software and any subcomponents or software embedded within the foregoing, including without limitation, any application specific integrated circuits (ASICs), multi-chip modules, electronic devices, integrated circuits, system in package (SIP), system on Chip (SoC), and including firmware thereon and accompanying or associated software.
15. Government Compliance. You shall be solely responsible for knowing and complying with all applicable laws and governmental regulations with respect to the use of the Inforce Development Kit Software. You acknowledge that all hardware, software, source code and technology (collectively, "**Products**") obtained from Inforce Computing and its Licensors are subject to the US government export control and economic sanctions laws. You shall ensure that You, Your subsidiaries and Affiliates will not directly or indirectly export, re-export, transfer or release (collectively, "export") any Products or direct product thereof to any destination, person, entity or end use prohibited or restricted under US laws without prior US government authorization to the extent required by applicable regulation. The US government maintains embargoes and sanctions against certain countries, currently Cuba, Iran, North Korea, Sudan, Libya and Syria, but any amendments to the countries under a US embargo or sanction shall apply. You acknowledge that other countries may have trade laws pertaining to import, use, export or distribution of Products, and that compliance with the same is the responsibility of You. This Section shall survive the expiration or termination of this Agreement. You shall not Export Products listed in Supplement 2 to part 744 of the EAR for military end-uses, as defined in part 744.21, to the People's Republic of China.
16. U.S. Government End Users. If You are acting on behalf of an agency or instrumentality of the U.S. government, the Software, is "commercial computer software" and developed exclusively at private expense by Inforce Computing and/or its Licensors, as the case may be. Pursuant to FAR 12.212 or DFARS 227 7202 and their successors, as applicable, use, reproduction and disclosure of the Software is governed by the terms of this Agreement.
17. Third Party Beneficiary. Licensors of Inforce Computing are third party beneficiaries of this Agreement, and thus this Agreement is directly enforceable by such Licensors.
18. Non-Exclusive. It is expressly understood that this Agreement is non-exclusive for both parties. Except as specifically agreed otherwise, this Agreement does not grant either party any exclusive privileges of rights.
19. Miscellaneous. This Agreement is governed, interpreted and enforced in accordance with the laws of the State of California without giving effect to its conflict of the law's provisions. If any provision of this Agreement shall be invalid, the validity of the remaining provisions of this Agreement shall not be affected. The restrictions, limitations, exclusions and conditions set forth in this Agreement shall apply even if Inforce Computing, its Licensors or any of their Affiliates become aware of or fails to act in a manner to address any violation or failure to comply therewith. You hereby acknowledge and agree that the restrictions, limitations, conditions and exclusions imposed in this Agreement on the rights granted in this Agreement are not a derogation of the benefits of such rights. This Agreement can only be modified in writing signed by authorized representatives of both Inforce and You. Inforce and You are independent contractors and agree that this Agreement does not establish a joint venture, agency relationship, or partnership. This Agreement is the entire and exclusive agreement between Inforce Computing and You with respect to the Inforce Development Kit Software which You have received hereunder and supersedes all prior agreements between Inforce Computing and You, along with any other communications (whether written or oral) between Inforce Computing and You.
